BOOK SYNOPSIS

The second edition of this successful guide to writing for graduate-and undergraduate-students has been modified to include updates and replacements of older data sets; an increased range of disciplines with tasks such as nursing, marketing, and art history; discussions of discourse analysis; a broader discussion of e-mail use that includes current e-mail practices. Like its predecessor, this edition of *Academic Writing for Graduate Students* " explains understanding the intended audience, the purpose of the paper, and academic genres. " includes the use of task-based methodology, analytic group discussion, and genre consciousness-raising. " shows how to write summaries and critiques. " features "language focus" sections that address linguistic elements as they affect the wider rhetorical objectives. " helps students position themselves as junior scholars in their academic communities.
